

IS LOOKING FOR

WELL-BEING COUNSELORS METRO MANILA

At PowerVision EAP Inc., we empower individuals at work to thrive mentally and emotionally. Since 2005, we've been pioneers in providing comprehensive mental health services in the Philippines, serving a wide range of industries with our customized counseling and psychological education programs.

We are seeking for individuals with the energy, passion, and versatility to help people maintain their well-being in professional settings. This role is pivotal in delivering high-quality mental health support and counseling to our diverse clientele.

Key Responsibilities:

- Conduct regular individual wellness coaching sessions and group sessions for project team members of the assigned client company
- Conduct occasional training sessions for project team members on mental health topics
- This is a full-time regular position with competitive salary package
- With signing bonus

QUALIFICATIONS:

- Registered Guidance Counselor or Psychologist
- At least 3 years of experience in counseling or psychotherapy work
- Proficient in the use of technology and software such as Microsoft applications
- Good business communication skills

Send your resume and cover letter to careers@powervisioneap.com. Please mention "Well-being Counselor Application" in the subject line.

PowerVision EAP Inc. is an equal opportunity employer and values diversity at our company.
